The JCI Vision:

To be the leading global network of young active citizens.

MESSAGE FROM THE 48th NATCON DIRECTOR :

Jaycees friends and well-wishers
Greetings

I wish you a Happy New Year B.S. 2078.

First of all, I congratulate JCI Pokhara for publishing this bulletin. In the JCI campaign, since its inception it has been conducting various programs to enhance the leadership and personality capacity of the youth and now going to celebrate its 47th anniversary. Similarly, in terms of hosting the 48th National Convention (NATCON) of JCI Nepal, this Chapter has hosted hospitality in 1984 & 1992 and now after nearly three decades, it is going to host the 48th NATCON on 16-19th December 2021.

After a long hiatus, the National Convention in Pokhara has become an important event for the Jaycee family and the people of Pokhara. In order to host this event, which is attended by a large number of national and international JC Members, it should be a matter of interest not only for the JCI Pokhara but also for the entire Pokhara community. Managing the hospitality of about 3,000 guests is also a challenge. The issue of how to provide a safe and effective program in the event of an uncomfortable situation due to the epidemic of Covid 19 is important. I am confident that the 48th NATCON will be successful with your support and cooperation.

Thank you ! Jay Jaycees .

Senator Ishwor Prasad Karmacharya
48th NATCON Convention Director
